

Customized CNC Stamping Stainless Steel Parts For Processing

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Shape: Customized
- Color: Customized
- Tolerance: $\pm 0.01\text{mm}$
- Material: Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
- Sample: Available
- Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
- MOQ: 1000pcs
- OEM/ODM: Acceptable
- Highlight: **Customized Stamping Stainless Steel Parts, CNC Stamping Stainless Steel Parts**

Product Description

Product Description:

CNC Stamping Parts are highly precise computer numeric control (CNC) stamped components processed by CNC stamping machines from different materials such as stainless steel, carbon steel, aluminum, copper, brass, etc. The parts are available in customized colors and sizes with a high tolerance of $\pm 0.01\text{mm}$. CNC Stamping Parts offer customers with a wide range of sheet metal fabrication and metal stamping services such as punching, bending, cutting, welding, riveting, and other processes. OEM/ODM services are also acceptable with a minimum order quantity of 1000pcs.

Features:

Product Name: CNC Stamping Parts

Tolerance: $\pm 0.01\text{mm}$

MOQ: 1000pcs

Packaging: Carton, Wooden Case, Pallet, Etc.

OEM/ODM: Acceptable

Processing Method: CNC Stamping

Main Products: Stamped Metal Parts, Sheet Metal Fabrication, CNC Metal Parts

Technical Parameters:

Parameters	Details
Packaging	Carton, Wooden Case, Pallet, Etc.
OEM/ODM	Acceptable
Sample	Available
Material	Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
Color	Customized
Surface Treatment	Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
Size	Customized
Shape	Customized
MOQ	1000pcs
Tolerance	$\pm 0.01\text{mm}$
Metal Stamping Processes	Stamped Metal Parts, Metal Stamping Processes

Applications:

CNC Stamping Parts, produced by ywy and model number cnc606, are widely used in various metal forming processes and CNC stamping machines. With the great tolerance of $\pm 0.01\text{mm}$, they are suitable for multiple precision sheet metal parts, including roofing, automotive, appliances, military, aerospace, telecommunications, electronics, medical and lighting industries. The size can be customized, and the surface treatment can be polishing, zinc plating, nickel plating, chrome plating and anodizing, etc. Besides, the packaging is available in carton, wooden case, pallet, etc.

Customization:

Customized CNC Stamping Parts Service

We provide customized CNC Stamping Parts with excellent metal forming components and CNC stamping services. Our CNC stamping machines are of high quality, ensuring that the CNC Stamping Parts meet your requirements.

Brand Name: Ywy

Model Number: CNC606

Place of Origin: Guangdong, Huizhou

Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, etc.

Sample: Available

MOQ: 1000pcs

Shape: Customized

Packaging: Carton, Wooden Case, Pallet, etc.

Support and Services:

CNC Stamping Parts Technical Support and Service

At XYZ, our team of dedicated professionals is on hand to provide technical support and service for CNC Stamping Parts. Our technicians are highly experienced and knowledgeable, and are available to answer any questions or concerns you may have. They can provide advice and guidance on the installation, operation, and maintenance of your CNC Stamping Parts.

We also offer comprehensive onsite and remote troubleshooting and repair services. Our technicians can diagnose and repair any issues you may be experiencing with your CNC Stamping Parts, and can provide assistance with upgrades, modifications, and parts replacement. We strive to provide the highest level of customer service and satisfaction.

If you have any questions or need assistance with your CNC Stamping Parts, please don't hesitate to contact us. Our team is available to offer technical advice and support whenever you need it.
